## Christina

Please find below a list of suggestions of harp music for wedding services. These pieces are all suitable for civil ceremonies, although the music highlighted in italics may not be allowed by some registrars. Many other pieces are of course possible; this is just a popular selection.

Choose one piece for entrance of the bride, two pieces for signing of the register and one piece for the exit of the bride and groom. I will also play for 10-15 minutes pre-ceremony as guests assemble.
